

I Know Someone Who...

I Know Someone Who Has Doubts About God

I. Introduction

- A. "To suppose that the human eye, with so many parts all working together, could have been formed by natural selection seems, I freely confess, absurd to the highest degree." (Charles Darwin in "Origin of Species")

II. Arguments for the existence of God

- A. Teleological argument - - "Who or what is responsible for the intricacies, symmetry, wonders, and marvels of what we see all around us in the natural realm?"
- B. The moral "oughtness" argument
1. "The universality of that moral sense of 'oughtness' that is stamped on every human heart, just the mere presence of that moral code should move every hardened skeptic to a point of intellectual openness about the existence of a supreme moral being. There is simply no other reasonable explanation." (C. S. Lewis in "Mere Christianity)
- C. The transformed life argument
1. Rom. 3:23 (NAS) *For all have sinned and fall short of the glory of God.*
 2. Rom. 6:23 (NAS) *For the wages of sin is death, but the free gift of God is eternal life in Christ Jesus our Lord.*
 3. Eph. 2:8-9 (NAS) *⁸For by grace you have been saved through faith; and that not of yourselves, it is the gift of God; ⁹not as a result of works, so that no one may boast.*
 4. Rom. 10:13 (NAS) *For "WHOEVER WILL CALL ON THE NAME OF THE LORD WILL BE SAVED."*

III. Conclusion
