

# Radical Worship

Is worship that Changes your life.

We become like the God we worship (Psalm 115:2-8).

## The Nature of Worship

- Two Ingredients for Authentic Worship:
  - An altar.
  - A sacrifice or offering.
- Worship involves sacrifice.
  - David (1 Chronicles 21:24).
  - The woman who anointed Jesus with costly perfume (Mark 14:3-9).
- Romans 12:1-2
  - Living sacrifices.
  - The offering we bring is ourselves.
  - This is the essence of authentic worship.
  - It's not worship until you're the offering.
  - It's not worship until you're the sacrifice.
- It's this kind of worship that transforms our thinking.
- It's this kind of worship that enables us to stop being conformed to the pattern of this world.
- Authentic Worship removes the idols from our hearts.
  - Abraham (Genesis 22)

## Worship & God's Will for Your Life

- Romans 12:2b
- Through worship we discover God's will for our lives.
  - Not a road map, but a Guide.
- Worship allows us to see ourselves clearly.
  - Think of ourselves with sober judgment (NIV)
  - An honest estimation (NLT)
  - We are able to recognize what God has given us (i.e., spiritual gifts) and what part we play in the body of Christ.
